Remember all the good laughs while building floats? Remember the feeling of triumph when the football team won the Homecoming game? Remember fouling out in the fourth quarter? Remember learning the difference between "sauber" and "schmutzig"? Remember the great folks in Savannah and riding the Screamin' Eagle in St. Louis? Relive the 1979-80 school year by leafing through the pages of the W.H.S. diary. Take time to savor the memories of the good times.

September Was Sensational

August

31 - For the first time in four years, the Eagles defeated the Philip Scotties on the football field. The score was 8-6.

September

3 - LABOR DAY. No school.
4 - The girls basketball team lost one to Douglas. A new style around school this year is straight-legged pants.
5 - Two new students are welcomed to Wall High this year - Crystal Briggs, who transferred from Pierre, and Rob Johnson, who came from Whitehall, Montana.
6 - The Expressive Education Encounter was held in the school cafeteria. It was sponsored by the Wall Jaycettes. Since the event was for parents and teachers, the students missed seeing Ms. Tarver (Trask) portray a clown and Mr. Smith do his comedy routine.
7 - The football team lost to White River, one of the top-rated teams in the state, but the Eagles put up a good fight. The score was 16-0.
8 - The girls were defeated by McLaughlin 56-29.
10 - "Hard work makes life sweet" is Mr. Dietrich's motto for the EAGLES.
11 - Dresses are being worn more often this year. It makes the school look more sophisticated, some say.
12 - The school board had their first meeting of the year, and the chemistry students had their first sweat day (test day) of the year.
13 - The most important thing that happened this day, Mr. Smith said, was that he neglected to insult Tracy Renner and Kelly Welsh.
14 - The juniors ordered class rings today and found that the price of gold was on the way up. Little did they guess that the price would reach $800 an ounce before the year was over. In the only daytime football game of the year, the Eagles defeated the Faith Longhorns 30-0.
17 - Try-outs for cheerleaders for the boys basketball B team today. All the girls did a good job, the judges said, and it was a tough decision.
18 - Magazine sales began for the freshmen and sophomores. The student council members were away for the day attending a workshop at the Rapid City Civic Center.
19 - Pajama Day? That's right. The freshmen dressed in pajamas as the annual Initiation week got underway. A group of FFA boys attended the Great Plains Judging in Newell.
20 - Four yearbook staff members - Tina Tines, Coleen Hays, Terri Beach, and Kim Poppe - along with their advisor, Ms. Nelson, spent the day at a yearbook workshop at NCB in Rapid City. The workshop was fine, they said, but the food may have had something to do with the fact that two of the girls were ill later.
21 - The Pep Club sponsored a disco dance, giving away records and serving refreshments.
22 - To raise funds for the trip to the state convention, the FHA chapter washed cars and sold baked goods today.
23 - Four Wall girls participated in the Junior Miss pageant in Philip. Brenda Estes was named first runner-up and Lacey Goldhammer was selected Miss Congeniality.
24 - Duane Hauk, Randy Clark, and Randy Kjerstad started a new trend by being the first boys to join the Pep Club this year.

25 - Steve Newnum and the seniors put up with each other today for a round of picture-taking. Steve's antics are famous with the students, who did manage to stop laughing long enough for the portrait camera. There were more smiles this evening as the girls basketball team defeated Midland.

26 - Steve Newnum two days in a row? Yes, he was in school today to take packet pictures and group pictures.

27 - The FFA range judging school was held here today. Twelve schools were represented.

28 - The Eagles ended the month with a football victory over Lyman County, 26-18.

In Class And On The Field, The Eagles Are Tough To Beat

TOP LEFT: All together now, - 1, 2, 3. "Our seniors have a first name, it's G-r-e-a-t. Our seniors have a second name, it's r-u-l-e-r. Oh, I love to see them every day, and if you ask me why, I'll say, "Cuz mighty seniors have a way with scummy little bums like me." Freshmen Gene Drewitz, Robin Denke, and Tim Griffin seem to think this song is a bunch of b-o-l-o-g-n-a. LEFT: By using his head, Darty Saunders gains two more yards - the hard way. The Eagles downed the Scotties in this one. ABOVE: "How to pierce ears" is the topic of the day in Mrs. Keith's Speech I class. New faces, new people.
Where do we go?
Where are our classes?
We just don't know.

October Was Outstanding

October

1 - Casts and crutches were a popular fad this month. Loretta White, Jem Kjerstad, Shannon Richter, and Cindy St. Clair got into style. Today started Homecoming week. The cheerleaders led the pep rally at 8:25.

2 - The German class led the pep rally this morning. Wall uber allas!! The fifties were remembered (?) by many kids today. Motorcycle jackets, hair slicked back, anklets, high ponytails, and class rings on chains were some of the styles of the day.

3 - Student Council started the day off with leading the morning pep rally. The Mr. and Ms. Sweet Things contest was held and we saw a different side of Chick Johnston. (Wa, Wa, Wa!) The MYF, CYO, and LYO held their first meetings of the year.

4 - The high school faculty led the pep rally as Homecoming week continued. Wow! Mr. Smith has great legs. Mr. Lurz, too. Queen Loretta White and King Chick Johnston were in the spotlight at coronation. Winners of the spirit window competition were the freshmen, first, and the juniors, second. Winning the Mr. and Ms. Sweet Thing contest were Kelly Welsh and Chick Johnston. Brenda Heathershaw and Duane Hauk won the 50's Day contest. The freshmen placed first in the poster contest, beating the juniors again. The Booster Club won the skit competition, with the juniors second and freshmen third. After coronation the snake dance led everyone to the bonfire at the football field.

5 - The football players led the five-minute pep rally before school, and the drama class presented their skit. Yea! Super Eagle! School was dismissed at noon, ad the parade started at one o'clock with a blustery wind helping the floats down the street. Seniors won first place in the float competition and juniors took second again. The Eagles downed the New Underwood Tigers 13-0. A celebration disco with the KKLS DJ's held in the Legion Hall was sponsored by the Student Council.

6 - Mr. Dietrich celebrated his BS day. That's superior birthday backwards.

7 - The girls basketball team played the Philip Scotties at home. The girls came up short as the score was 58-38.

10 - The teachers were off to the SDEA convention so no school today. The Western Junior Livestock Show was held in Rapid City with several WHS students participating.

18 - The girls traveled to St. Martin's for a basketball game. Them - 43, Us - 26.

19 - The Eagles football team conquered the Kadoka Kougars in a thriller game. Final score was 8-7. It was also Parents Night, with parents of the team members, cheerleaders, and statisticians being introduced.

22 - Hordes of students from Wall and seven other schools were here today for the Region VIII Music Festival. Sore throats were common the rest of the week.

23 - The girls defeated Midland 48-34 there.

24 - The seniors had to dig deep into their pockets today when they ordered senior portraits. The juniors took the National Merit Scholarship Qualifying Test today.

25 - WHS students participated in a sociology survey today. They answered such questions as "What are four things you must do to belong to the group you associate with?" and "Is your high school curriculum college preparatory, vo-tech, or general?"

26 - The final football game of the season saw Jones County defeating the Eagles at Murdo, 20-14.

29 - Through rain and dark of night, the senior MYF group went trick-or-treating for UNICEF. The Booster Club met in the cafeteria and discussed the possibility of buying a marquee for the school.

30 - Rocky Hook, attempting to bribe Ms. Nelson, slipped a $20 bill between the pages of his research paper when he turned it in. It was surprising to find that the grocery store wouldn't accept the bill.

31 - The declam team went to Kadoka to participate in district competition. Kelly Ruland, Tammy Burmeister, and Kelly Welsh won the right to go on to regional competition.

TB: How did the team turn out compared to what you expected of them?
ED: Much better than I thought they would.
TB: Were there any disappointments during the season?
ED: The Murdo game.
TB: In the future, do you think that girls will be playing football?
ED: No! Volleyball, yes. Also in the future, football will diminish when the number of kids does, and soccer will be the game played by both boys and girls.
TB: What does going out for football do for a guy?
ED: It teaches them to get along with other people. Also, it teaches them to compete, which will help them in the business world.

November Was Never Boring

November

1 - Post High School Planning Day was held in the gym from 9 to 11 a.m. Students from four schools came to talk to representatives from 20 colleges and vo-tech schools. In the afternoon Steve Newnum took some group pictures. Coleen Hays, Kelly Welsh, Bill Sautter, and Duane Sandine left for Watertown with Mrs. Brucklacher for the All-State Chorus and Orchestra.

2 - Today was the last day of the nine weeks and the teachers were busy giving "last chance to pass" tests. The girls basketball team traveled to White River, where they were defeated.

3 - Jiggs O'Connell and Kem Kjerstad left today for Kansas City, site of the National FFA Convention.

4 - Oh, those copy machine headaches! The teachers were all disgusted because the Xerox machine is broken down again. The students think it's fine because maybe, just maybe, it means no homework or tests.

5 - The MYF, LYO, and CYO groups car-pooled and went to see the movie "Jesus" in Rapid City.

6 - Dean Eisenbraun had a bad day in chemistry. Boom! There goes the distilled water. The Eagle girls went against the Kadoka Kougars on Parents Night but lost.

9 - Today the parents were in school and the kids were out - for parent-teacher conferences.

12 - Bowls of steaming hot chili and homemade chicken noodle soup were served up by the Booster Club tonight at their fundraising supper. There was no school because of Veteran's Day.

13 - Everyone had music to work by as workmen repaired the intercom system and for some reason sent taped music into the classes periodically. The Wall Education Association had a kick-off breakfast this morning for National Education Week. The District 29 Girls Basketball Tourney started in Wall. The Eagles fell to Bennett County 36-18.

14 - All-Conference football players named included Chick Johnston, Casey Ramsey, and Jem Kjerstad. The school board meeting was attended by a delegation from the vocal music department. The big question was "Does the choir get to go to St. Louis?" The school board said, "Yes!"

15 - Casey Ramsey was named to All-State Football Team, the only player from a West River School.

16 - Crystal Briggs won the $10 prize for the National Education Week Essay contest. The student council sponsored a KKLS Disco in the Legion Hall after the championship game of the tournament.

19 - Mary Jane meant it this time when she threatened to kick everyone out of the honor room: "Everybody making that noise - OUT!"

20 - Today was the first real snow of the year. To celebrate Thanksgiving, the cooks fixed turkey, stuffing, and pumpkin pie. Yum!

21 - Mr. and Ms. Turkey titles went to Tina Tines and Roger Shull. They were crowned at an assembly before school was dismissed for Thanksgiving vacation.

26 - It's the school time blues. No more vacations until Christmas!

27 - Someone with a sense of humor put a bumper sticker on the pop machine in the honor room. Oh Boy!

28 - Babies and little tots invaded the Home Ec room as the Child Development class held a nursery school this week.

29 - Basketball coaches, Mr. Patterson and Ms. Olson, left for the State B girls tournament in Watertown.

30 - A pep rally was held today and the cheerleaders for the winter sports were introduced.

May Was Marvelous

May

1 - The high school band participated in the annual Regional Instrumental Music Contest in Rapid City. For the benefit of the non-smokers' lungs, the teachers started a petition to get people to quit smoking in the teachers' lounge.
2 - The varsity track team went to White River.
3 - Susie and Sally Kjerstad celebrated their 18th birthday with a party at the New Town Dam.
5 - For a change, Mr. Dietrich's sixth hour government class students took turns lecturing and giving notes to the others. Mr. Keith loaded up his biology class and took them on a trip to the Hills today. They saw things like Harney Peak and Wind Cave. There was "Murder by Death" in the gym tonight - the movie, that is. Along with the movie, the Booster Club had a chili and chicken noodle soup supper as a fundraiser to send athletes to summer camp.
6 - At the Three Rivers Varsity Track Meet in Philip, the girls received second place and the boys tied for third.
8 - The vocal and band spring concert was held in the gym. The choir sang their St. Louis music for the last time.
9 - It was a gloomy day for the Elementary School Field Day as the grade schoolers got together to show their stuff.
10 - The Todd County Relays were held in Mission. The girls placed second and the boys took sixth place.
12 - The junior varsity track team went to Philip for their Three Rivers Conference Meet.
13 - The eighth graders graduated from grade school and into the fun and tough high school life.
14 - The MYF had their last meeting of the year by going on a hayride out north. The prom for next year was one of the major topics of discussion at the school board meeting. Teachers Nell Willuweit and Grace Roberts, who teach at Wasta, turned in their letters of resignation, as they will be retiring.
15 - Lots of awards were given away at the high school Awards Night. Also on the program was a slide show of highlights of the year presented by the yearbook staff. The seniors went "totally crazy" as the last bell rang, as it was their final day at W.H.S.
16 - The Regional Track Meet was held at Rapid City. These WHS tracksters qualified to go to the state meet: Gene Drewitz (1st in shot put), Charles Wilburn (1st in 100 meter dash and 200 meter dash), Darty Saunders (2nd in long jump), Casey Ramsey (2nd in 440 yard run), 880 Relay Team (2nd place - Charles Wilburn, Bill Sautter, Randy Clark, Darty Saunders), Susie Kjerstad (1st in high jump), Mile Relay Team (2nd place - Lana Sawvell, Rhonda Lurz, Leslie Lentz, and Brenda Estes).
18 - Allthree churches held Baccalaureate Services for the seniors. After the services, a reception was held in the Lutheran Church.
19 - Kelly Welsh, Lacey Goldhammer, Tracy Renner, and Cindy Eisenbraun decided to live it up and went to the Pyrenees II for lunch. Handshakes and tearful good-byes were the scene at the graduation of the Class of 1980. The featured speaker was Alice Kundert, South Dakota Secretary of State.
20 - Last Day of school for underclassmen. Summer vacation begins! Yee Haw!
21 - Teachers file reports, clean rooms, finish grades, and turn in keys.
24 - Tina Tines, Coleen Hays, and Ms. Nelson put the finishing touches on the yearbook and put it in the mail. Eleven members of the track team attend the state meet.

School Song

Let's give a cheer for good
ole' Wall High
It's where you always see
those Eagles fly.
It's where the children
show their penmanship.
It's where the cheer will
give a yelly, yelly, yell.
It's where the sportsmen
show they can't be beat.
It's with the sportsmanship
and all defeat.
So let's show that we
appreciate,
Good ole' Wall High Team.

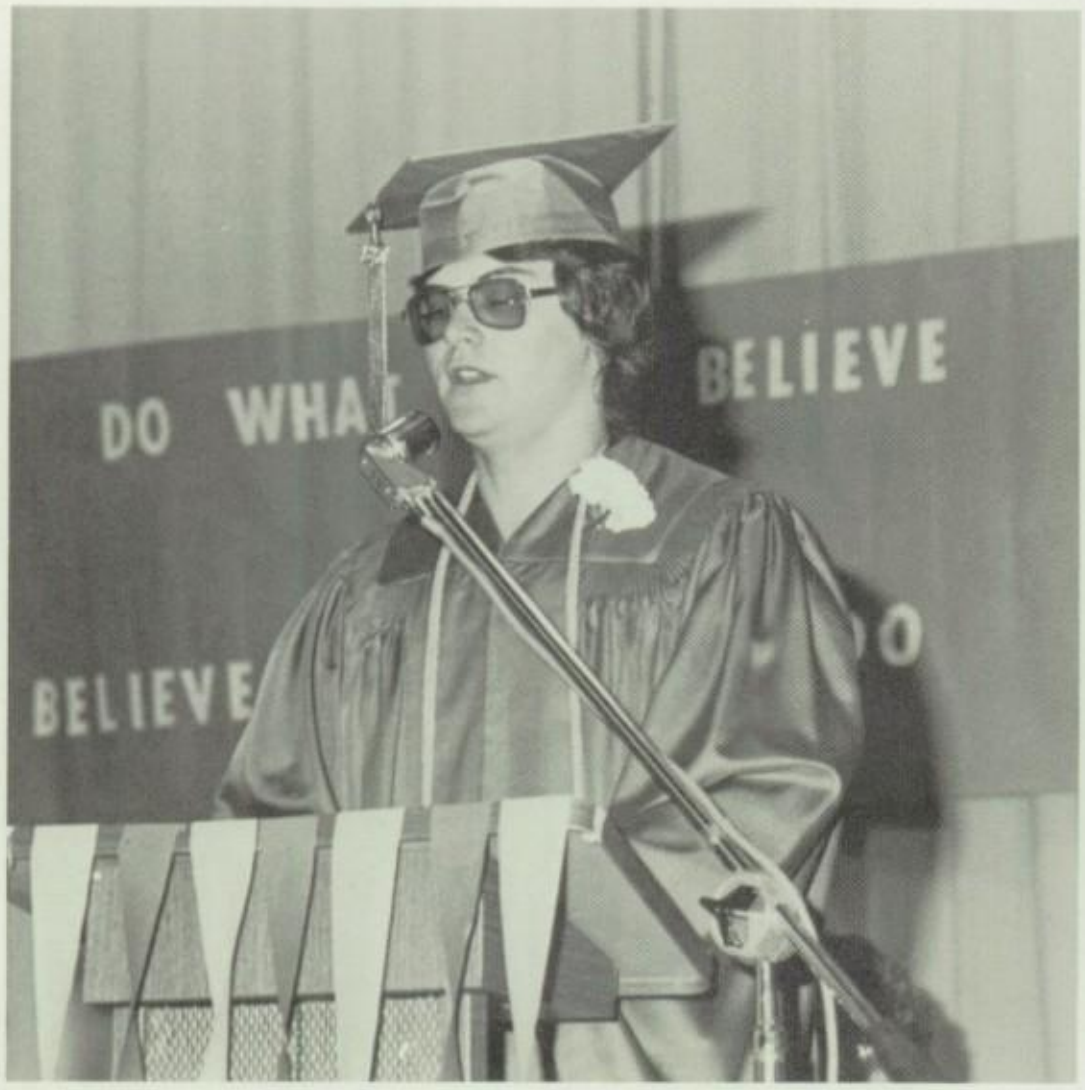
WHS Students Receive Scholarships, Honors



Graduation Is

Smart As Cockroaches?

Are you as smart as a cockroach?

We must be willing to change, able to adapt to changes. It's hard to imagine the changes and advances we will see in our lifetime. You have to be prepared to live in a world of change - with the unknown, the unexpected, the unpredictable.

It's hard to cope lately with many crises - the Iran crisis, the Afghanistan crisis, the fuel crisis. The ancient Chinese wrote "crisis" with two symbols - one for danger and one for opportunity.

Is a crisis for you going to be an opportunity or a danger? Crises are what cleans out the old and makes the new possible.

You must learn to cope with whatever comes - the opportunity or the danger. Remember, the major characteristic of people who can cope is laughter. Keep your sense of humor.

Last, is learning. Graduation is just a beginning. Seniors, whatever you do, keep learning.

We must continue to expand our knowledge to be sure we can be a part of the forming of our future rather than just accepting what others feel our future should be.

- Bill Sautter -

Just The Beginning, Sautter Tells Classmates

FROM LEFT, CLOCKWISE: 1. Hat, Hat, Hooray! Mortar boards are sky bound following the pomp and circumstance. 2. Graduation marshals were (L-R) Lisa O'Rourke and Marty Heathershaw. Ushers were Kelly Ruland, Jem Kjerstad, Lee Renner, and Marli Feller. 3. In his graduation address, Bill Sautter challenged his classmates by asking, "Now that you've graduated, are you as smart as cockroaches?" 4. Jay Keyser, Rocky Hook, Jeff Keyser, Chick Johnston, and Kem Kjerstad make the traditional tassle switch. 5. Tina Tines receives congratulations and her diploma from board president Dave LaFee. 6. Solemnly, Charles Wilburn marches in during processional.
